
Justin H. Ricketts
Chief Information Officer

As chief information officer for Susan G. Komen for the Cure®, Justin Ricketts provides the technology vision and leadership in the development, implementation, and support of enterprise-wide IT programs. Ricketts collaborates with all aspects of the organization to build solutions that drive revenue, reduce costs, and accelerate science.

Prior to joining Komen for the Cure in 2007, Ricketts served as executive director of the solutions design and consulting group at Kaiser Permanente. While at Kaiser he was responsible for the delivery of technology solutions for Kaiser Health Plan and Hospitals for the Mid-Atlantic, Georgia, Ohio, Colorado, Pacific Northwest, and Hawaii regions. Prior to Kaiser, Ricketts was an IT director for WellPoint Health Networks where he delivered technology solutions for PrecisionRx, WellPoint Pharmacy Management, WellPoint Life and Disability, and WellPoint Dental. During his tenure, WellPoint grew from a California-based health plan to the largest health insurer in the United States.

Justin received his Bachelor of Science in Management Information Systems from the University of Texas at Arlington.
