STCG Impact Collection Apparel

In August of 2024, Kelly (Sam's wife) was diagnosed with breast cancer and she chose to face it head on. When our kids noticed that she was constantly smiling in pictures from at her appointments, NNS (Never Not Smiling) immediate became not just a family theme, but a family tattoo.

So from NNS to FYC - these shirts are our way of saying goodbye to Kelly's (and everyone's) cancer!

HOPE

STRENGTH. COURAGE. RENEWAL.
