### Events and Donation Alerts

Komen offers the option to engage with us via SMS text alerts to help keep subscribers updated on upcoming events, the latest news and donor opportunities. You can opt-in to Komen SMS text alerts by selecting your preference to receive mobile text messages and/or entering your mobile phone number under the option to receive text alerts. By providing your phone number and opting in, you are consenting to receive texts, including automated texts, to that number. Up to 6 messages per month. Message and data rates may apply.

You can cancel this service at any time. To discontinue receiving SMS text messages from “KOMEN”, text STOP to 54163. After you send the message STOP, you will receive a reply message to confirm that you have been unsubscribed. After this, you will no longer receive messages from us unless you opt-in to receive SMS text alerts again. If at any time you forget what keywords are supported, just text HELP to 54163. After you send the message “HELP,” you will receive a response with instructions on how to use our service, including how to unsubscribe. For additional help or support, please use the contact options on our Contact Us page, call us at 1-877-465-6636, or email your request to [privacymanager@komen.org](mailto:privacymanager@komen.org).
